Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Sunday 05 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry, bright and cold on Sunday.

Today:
A few showers near the east coast otherwise dry and bright with some sunshine, best over the Trossachs and western Perthshire. A cold day but fresh northerly winds in the east gradually easing down. Maximum temperature 6 deg C (43 deg F).

Tonight:
Some clear spells over central and western areas allowing a frost to form. Then cloud thickening overnight, with some rain and, on high ground, a little snow developing. Minimum temperature -1 deg C (30 deg F).

Monday:
Cloudy at first with outbreaks of rain, with snow on the hills, then brightening up from the west with some sunshine. Showers following to west, wintry on higher ground. Maximum temperature 6 deg C (43 deg F).

Outlook for Tuesday to Thursday:
Bright start Tuesday then heavy rain, with heavy snow on high ground, briefly to low levels, with easterly gales. Showery on Wednesday, hill snow. Bright start on Thursday, rain later.
